Info	INTRODUCE Following the success of two stops in Tien Giang and Da Nang of Trung Thuy Group, the Mekong Long Thanh station opened and officially came into operation in March 2012, is one of the few stops of Vietnam. Men have international quality standards, successfully implement the criteria "Green - Clean - Comfort - Class". With an investment of over VND 100 billion on an area of 7 hectares, it is now exploited and put into use more than 3 hectares, the Mekong Long Thanh station is currently divided into 4 subdivisions including souvenirs, home area. goods - conferences for corporate guests and retail guests, supermarket areas - coffee and areas for outdoor activities. Located on the high land between Sonadezi industrial zone and Long Thanh dairy cow farm, Mekong Long Thanh is designed in the architectural style of the Eastern South and has modern features while maintaining traditional elements. The high dome is entirely made of wood car plug, the round wood is made of pillars, the roof is cared with the outside and the layers of coconut leaves, a layer of galvanized iron and the inside is a wooden roof. The space is cool and cool even in hot summer days. Arriving at the Mekong Long Thanh stop, visitors can easily see the huge difference with other stops by 3 toilets not inferior to hotel 5 *, wide, beautiful, airy and infinite space Clean and comfortable, giving guests a comfortable and comfortable feeling. The highlight of the stop is the restaurant area serving many rustic dishes but bearing the essence of Vietnamese cuisine in a spacious and airy space.
