Info	Environmental Sustainability & Corporate Social Responsibility Embrace sustainable tourism at MyBanLao. We follow an environmentally friendly, one health philosophy, bridging the gap as much as possible between environmental conscientiousness and a luxury experience. The concept of One Health is a lifestyle approach that recognizes that the health of humans is linked to the health of animals and the health of our shared environment. Through surveillance, prevention, mitigation, and interconnection of these three elements, we can experience a sense of wholeness.
